Plague- Kudligi taluk- Kottur Town- preventive measures- picketting staff- employed- sanction requested.

Kottur is an important village in Kudligi taluk containing a population of about 6000. It is infected with plague and cases are occring daily in the village in spite of its evacuation. This village has extensive trade intercourse with Ittigi and other imporatant villages of the taluk. As suggested by the Sub Collector Hospet and in anticipation of Government sanction, I have ordered the establishment of two picketting stations one at the junction of the Ittigi railway feeder road and the other near the railway station in Kottur village. I request that my action may be approved and sanction accorded for the entertainment of 3 picketters on Rs 12 each for 4 months and for the construction of 2 sheds at a cost not exceeding Rs 26/- and also a further sum of Rs 20/- for lighting and other charges for the two picketting stations.
